

WELCOME TO 1HEART

A MODERN FRANCHISE IN AN ESSENTIAL INDUSTRY

When you invest in a senior care franchise with help from elderly care franchise, you'll do more than make a smart business investment. You'll also invest in a better community! The 1Heart Caregiver Services Home Care franchise opportunity is the vehicle you can use to help drive the success of your senior care journey.

INDUSTRY OVERVIEW

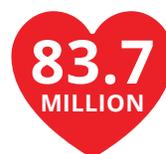

The senior care industry is one of the fastest-growing sectors in the U.S. economy—and for good reason. With the aging population surging and healthcare needs rising, the demand for compassionate, in-home care is stronger than ever. For aspiring business owners, this is more than a market opportunity—it's a mission with meaning.

The Aging of America

About 70 million Americans will be age 65+ by 2030—that's 20% of the U.S. population

Americans turn 70 years old every day

Senior population projected by 2050

Senior population desire to stay home

Economic Impact & Spending Power

Americans are living longer, but not always in good health. As chronic conditions like heart disease, stroke, Alzheimer's, diabetes, and COPD become more common, more seniors need daily support—driving rapid economic growth in the senior care industry.

projected size of long-term care market in 2026

Boomers spend on yearly out-of-pocket healthcare

HOW 1HEART STANDS OUT

Lower Investment

Start a business with a smaller upfront cost in a stable, recession-resistant industry with a solid potential return.

Minimal Brick and Mortar

Operate without the need for expensive storefronts or high-overhead office space.

Affordable Multi-Territory Opportunities

1Heart makes it easy to expand into multiple territories.

Built-In Systems for Scalability and Growth

1Heart provides ready-to-use systems that scale & grow with your business.

Training Through 1Heart Business Academy

Get expert training and ongoing support—no senior care experience required.

WHAT DO YOU GET AS A 1HEART FRANCHISEE?

When you franchise with 1Heart, you gain access to our exclusive 1Heart Business Academy—a comprehensive training and support program designed to help you launch, license, and grow your senior care business with confidence.

Here's what you can expect:

1. Personalized Training

Learn how to confidently manage your senior care business through step-by-step, hands-on instruction and support.

2. Licensing Support

Get expert guidance on securing your home care license so you can launch faster and with peace of mind.

3. Ongoing Education

Access continuous training and resources to improve your services and grow your client base.

4. Dedicated Franchise Consultant

Work one-on-one with a support specialist who helps you stay on track and hit your business goals.

5. Exclusive Territory or Territories

Operate in a protected area where you're the only 1Heart provider.

6. Proven Marketing & Sales Tools

Use tested strategies to attract clients and establish your presence in the local market quickly.

- Management background or traits

Flip to the next page to hear about our **E2 Visa Program** for candidates!

E2 VISA FRANCHISE PROGRAM

Start Your American Dream with the 1Heart E2 Visa Franchise Program

Looking to move to the U.S. and start your own business? The E2 Visa Franchise Program is your pathway to doing just that—and 1Heart Caregiver Services is here to help you succeed.

What Is the E2 Visa Program?

The E2 Visa allows entrepreneurs from treaty countries to live and work in the U.S. by investing in and running a business. Franchising with 1Heart streamlines your visa process by offering a proven, scalable business model already recognized by immigration officials.

Common Questions

- ? Do I need senior care experience?**
No. A caring heart and entrepreneurial spirit are what matter most.
- ? How can I fund my investment?**
Options include personal savings, family support, or investors with shared ownership.
- ? Can I apply for the visa from outside the U.S.?**
Yes. You can apply from your home country and still receive Franchisee support remotely.
- ? How long can I stay in the U.S.?**
E2 visas can be renewed every 2–5 years, indefinitely, as long as your business remains active and compliant.
- ? Is my country eligible?**
Over 100 countries qualify. Check with the U.S. State Department or ask us for help confirming.

SCALABLE OWNERSHIP

Ownership Roles

1Heart Franchisees can operate their business under two types of ownership models: Owner Operator or Manage the Manager.

Owner-Operator (CEO role/Manager)

Franchisee will run the day to day of business. This includes marketing, hiring and managing employees, goal setting, and achieving.

Manage the Team

Franchisee will hire a 2-person team to oversee the day-to-day tasks. Franchisee runs the budget, manage the financials of the business, and oversee the company.
